New Rules for Tax Year 2016:

Municipal income tax changes went into effect January 1, 2016 as a result of the enactment of House Bill 5 by the 130th Ohio General Assembly. These changes may impact your Tax Year 2016 tax filing requirements and 2017 estimate. **Go to www.ritaohio.com for more information.**

RITA Municipalities:

Each municipality has specific instructions or requirements for filing returns, reporting income and/or making estimated payments. Go to www.ritaohio.com for detailed information and click on the RITA Municipalities link (top banner). Next, select the applicable municipality. Use this resource for specific items that may apply to a RITA municipality.

NOTE: Use Special Notes Starting Tax Year 2016 to calculate 2016 municipal income tax liabilities and your 2017 estimated tax liabilities.

Filing Requirements:

If you were a resident of a RITA municipality during any part of the year, you must file a return with RITA unless you are eligible to file a Declaration of Exemption. A Declaration of Exemption form may be filed electronically or downloaded at www.ritaohio.com.

A non-resident must file Form 37 if the non-resident conducted business in a RITA municipality or earned wages in a RITA municipality and municipal income tax was not withheld, or was not properly withheld, from those wages. "Conducting business" means the non-resident earned self-employment, farm or rental income in a RITA municipality.

You may owe municipal income tax to both the municipality where you lived (your resident municipality) and to the municipality where you worked or conducted business (your work municipality). If you are a resident of a RITA municipality or a non-resident that conducted business in a RITA municipality, an annual return is required whether or not you have tax due. If you had no taxable income, complete a Declaration of Exemption form, available at www.ritaohio.com.

When to File:

File Form 37 by **April 18, 2017**. If you file after this date, you may be subject to penalties and interest.

Extensions of Time to File:

It is not necessary to file a copy of your federal extension with RITA by April 18, 2017. If you have requested or received an extension to file your federal income tax return, your municipal income tax return is automatically extended as well. However, you must provide a copy of the federal extension with your tax year 2016 Form 37 on or before October 18, 2017. If you have not requested or received a federal extension you may receive an extension for the filing of your municipal income tax return by completing Form 32-EXT Estimated Income Tax and/or Extension of Time to File which is due on or before April 18, 2017. Form 32-EXT is available at www.ritaohio.com. **An extension to file is not an extension to pay - the tax you owe is still due by April 18, 2017. Log-in to My Account or remit Form 32-EXT to pay your tax balance due.**

Extensions of time to file have no effect on the due dates of the 2017 estimated taxes. If you file on an extension, your first 2017 estimated tax payment is still due April 18, 2017. If you file on an extension and you expect to owe estimated taxes for 2017, remit Form 32-EXT with your first quarter estimated payment by April 18, 2017.

Refund or Credit:

Indicate whether you want an overpayment of your 2016 tax to be credited towards your 2017 estimate or refunded to you by entering the appropriate amount in Section B on Line 18 for a credit or Line 19 for a refund. If you are requesting a refund for:

- **Overpayment of Estimated Tax Payments:** complete Form 37.
- **Excess Payroll Withholding Tax** (including tax withheld for a person under 18 years of age): complete Form 10A.
- **Employee Business Expenses, Form 2106:** complete Form 10A.
- Obtain forms at www.ritaohio.com.

NOTE: Amounts \$10 or less will not be refunded. Refunds received from your work municipality may affect the tax due to your resident municipality.

Penalty and Interest:

In accordance with municipality ordinances, penalty and interest will be imposed for failure to file a return and to pay taxes, including estimated taxes for the current tax year. See the instructions for Line 20a for the minimum estimated tax requirements. If your estimated payments are not equal to, or greater than, your prior year's total tax liability or 90% of your current year's total tax liability, you will be subject to penalty and interest charges.

Name(s), Address and Social Security Number(s):

Print your name(s), address and social security number(s) within the boxes provided.

Amended Returns:

If you are filing an amended return, check the appropriate box. State why you are filing an amended return in the space provided or attach documentation to the Form.

Residency Status in RITA Municipalities:

Please select the box that best applies to your specific situation:

- **Full-Year:** Check this box if you lived in one or more RITA municipalities for all of 2016.
- **Part-Year:** Check this box if you lived in a RITA municipality for part of 2016.
- **Non-Resident:** Check this box if you did NOT live in a RITA municipality for any part of 2016.

City/Village/Township of Residence:

Please complete the City/Village/Township of Residence section on Page 1 of Form 37 for the physical location of your residence, including address, municipality, state and zip code for the entire tax year. If you moved during the year, provide the effective date of each move and the corresponding address, municipality, state and zip code in the boxes provided.

In order to properly calculate your tax, the city/village/township is required to be provided. It is important that you list the physical location of your residence, not the municipality listed in your mailing address. For example, if you use Columbus as your mailing address, but you live in Grove City or Upper Arlington, list Grove City or Upper Arlington, not Columbus. The same holds true if you live in the Cleveland, Dayton or Cincinnati area, and use one of those municipalities for your mailing address.

Required Documentation:

You must include copies of all W-2 form(s), the first two Pages of your IRS Form 1040 and any 1099-MISC, K-1 forms, Federal Schedules C, E and F filed with your federal tax return. If you are claiming a credit for taxes you paid directly to another municipality (not through employer withholding), you must include a copy of that municipality's completed tax form as proof of payment of tax. RITA may request additional information in order to verify your municipal income tax return.

NOTE: Failure to include the proper verification of the amounts stated on the return or to provide relevant documentation upon request may affect amounts of taxable income and/or allowable credit.

Taxable Income:

- **Qualifying wages include:** Wages, salaries, commissions, severance pay, self-employment wages reported on a W-2, other compensation including fees, sick pay, bonuses and tips whether or not your W-2 form shows this income as taxable for local tax purposes. Your contributions to retirement plans, annuities, deferred compensation, 401k or individual retirement accounts are taxable whether or not your W-2 form shows this income as taxable for local purposes. For most taxpayers, qualifying wages cannot be less than Medicare wages (Box 5 of the W-2 form). For taxpayers receiving income related to stock options, this income may be included in federal wages (Box 1) and not Medicare wages (Box 5), but is still considered qualifying wages and must be included as taxable income.
- **Dividend and property distributions from Subchapter S-Corporations (S-Corps.):** Distributive shares that do not represent wages are generally not taxable and should not be reported on Form 37. See Page 5 for Schedule J, Line 25 for instructions.
- **Self-employment, farm income and a partner's share of a partnership's income.**
- **Rents and lottery/gambling winnings.**
- **Employer provided supplemental unemployment benefits (sub pay).**
- **Income from grazing, oil and gas rights.**
- **Stock options, nonqualified deferred compensation plans and income of individuals under 18 years of age** to the extent they are taxable as provided by ordinance. **See RITA Municipalities section at www.ritaohio.com for detailed municipality information.**

Warning: Income reported is subject to verification by the IRS. Non-reporting or underreporting of income will result in the imposition of penalty and interest as provided by local ordinance.

Non-Taxable Income:

Income not taxed by municipalities includes: interest (1099-int), dividends (1099-div), Social Security, pension distributions (reported on 1099-Rs), income from Board of Elections (voting booth), workers compensation, public assistance, state unemployment compensation, active service and reserve military pay, alimony receipts and in some municipalities, income earned by individuals under 18 years of age. **See the RITA Municipalities section at www.ritaohio.com for detailed municipality information.**

Rounding to Whole Dollars:

Rounding to whole dollars is permitted. Eliminate amounts under fifty cents and increase amounts from fifty cents through ninety-nine cents to the next dollar.

Signature(s):

Each taxpayer must sign the tax return. If you are filing a joint return, both taxpayers must sign the tax return. If someone other than the taxpayer prepares this tax return, the preparer must provide the information requested on the tax return.

Section A – Wage and Other W-2 Income:

NOTE: Section A should be used by **residents** (including part-year residents) of RITA municipalities. **Non-residents** who earned wages in a RITA municipality from which their employer did not withhold all or part of the RITA municipality tax due should also use Section A and complete Schedule K (Form 37), Line 33.

List your W-2 wages, W-2G winnings and the tax withheld in Columns 1-6 of Section A. Each W-2/W-2G must be listed in a separate row. If you were a resident of a RITA municipality for only part of the year, you may exclude from Section A the income you earned while a non-resident, unless it was earned in a different RITA municipality to which there will be tax due. Be sure to indicate the date(s) when the income was earned or the date(s) of winnings in Column 6.

Column 1: Enter winnings reported to you on W-2G, or the Qualifying Wages you earned from each of your employers after deducting your allowable Federal Form 2106 employee business expenses. **NOTE:** You must include a copy of your Federal 2106 employee business expenses form and Schedule A.

If your resident city/village has a Credit Rate of 0%, enter -0- on Line 5b through Line 6 and go to Line 7a. You do not need to complete the Credit Rate Worksheet.

Line 5b – Credit Rate: Use the **Credit Rate Worksheet** on Page 2 of Form 37 or a separate sheet of paper to calculate your tentative credit on Line 5b.

Line 7b – Tax Paid by Partnership/S-Corporations: Enter the allowable amount of net profit tax payments made by a partnership in which you are a partner to any RITA municipality. If you live in a municipality that taxes S-Corp. distributive shares, also enter the allowable amount of net profit tax payments made by S-Corps. you own to any RITA municipality.

NOTE: The amount entered on Line 7b cannot exceed the municipal tax due reported in Schedule J, Line 32, Columns 2 through 6. In addition, if offsetting Partnership/S-Corp. income with a loss, the amount on 7b cannot exceed the tax due on the net effect of this offset.

To receive credit for net profit taxes paid by partnerships or S-Corps., include a copy of your Federal Schedule E, Part II and a list of municipalities paid.

You can obtain forms at www.ritaohio.com or by calling any one of the RITA offices.

Before filing Form 10A, be sure the correct wage amount was used. In general, municipal taxable wages are the greater of the Medicare taxable wages (Box 5) or local taxable wages (Box 18) from the W-2 form.

Line 13 – Estimated Payments: Add your 2016 estimated tax payments and enter the sum on Line 13. **Do not include payments made in 2016 for a previous tax year.**

Line 20a – 2017 Estimated Taxes: If you anticipate owing \$200 or more in municipal income tax, you must estimate your taxes and make quarterly payments as your income is earned. You may use the amount on Line 12 as your estimate. Otherwise, you may complete Worksheet 2 – Estimated Tax Computation (see below). If your estimated payments are either less than 90% of the tax due, or not equal to or greater than your prior year's total tax liability, you will be subject to penalty and interest.

If Line 20a is left blank, an estimate will be calculated by RITA and if the total amount is \$200 or more, you will receive a bill. If you fill in a total estimate less than \$200 on Line 20a, you will receive a bill.

If estimated payments are made on a joint account, and the taxpayers file separately for the subsequent year, the payments will remain on the account of the primary taxpayer from the joint account unless the amount to apply to each taxpayer's separate account is allocated in writing by the taxpayers.

Schedule J Instructions:

Use Schedule J to report net profits or net losses from operating a business as a sole proprietor; owning rental property; operating a farm; or from a partnership, S-Corp. or trust.

If you move between one RITA municipality and another, you will need to allocate your non-wage income and report that amount on Schedule J, and provide a separate worksheet listing effective dates of income allocation.

What Constitutes Net Profits: Net profits shall be determined on the basis of the information used for federal income tax purposes, adjusted to the requirements of the ordinance of a RITA municipality. Expenses attributable to nontaxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for federal income tax purposes are generally not to be considered in arriving at net profits.

How to Treat a Net Loss: Generally, the portion of a net operating loss sustained in any taxable year, allocable to a RITA municipality, may be applied against the portion of the net profit of the succeeding year(s) allocable to the same RITA municipality until exhausted, but in no event for more than five (5) years. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at www.ritaohio.com for detailed municipality information.**

No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained shall be allocable to a RITA municipality in the same manner as provided herein for allocating net profits to the taxing municipality. No portion of a net operating loss shall be used to offset W-2 income.

Line 23: List all income from Federal Schedule C. If you operate your business in more than one municipality, you must allocate your income between each municipality in Columns 1 through 6. Attach additional copies of Schedule J if you need more columns. Also attach a copy of your Federal Schedule C and any supporting schedules.

Schedule C net profits may not be reduced by any additional allowable federal deductions, such as one-half self-employment tax.

Line 24 – Rental Income/Loss: List all rental income/loss from Federal Schedule E. Attach a copy of your Federal Schedule E and any supporting schedules. If you have rental property located in a RITA municipality, you are considered to be engaged in a business activity and the net income is subject to tax whether or not you are a resident of a RITA municipality. If you own rental property in more than one municipality, each municipality should be listed separately in Columns 1-6. **If you own rental property and are a resident of a RITA municipality, you will be subject to the tax on the net income of such rental regardless of the location of that rental property.**

Line 25 – Partnership/S-Corporation/Trust Income/Loss: List all partnership/S-Corp./trust income from Federal Schedule E. If your business is conducted in more than one municipality, you must allocate your income/loss in Columns 1 through 6. Attach a copy of your Federal Schedule E, and any supporting schedules.

S-Corp. distributive shares that do not represent wages are generally not taxable and should not be reported on Schedule J (Form 37). There are municipalities that have exceptions to this rule, see RITA Municipalities section at www.ritaohio.com for detailed municipality information.

Line 26 – All Other Taxable Income (or Loss): List all other non-W-2 income such as farm income/loss reported on Federal Schedule F, 1099 miscellaneous income not reported on Federal Schedule C, director fees, and ordinary gains and losses reported on Federal Form 4797. Make sure to put the amount earned in each municipality in the proper columns. Attach schedules detailing all amounts reported on this line.

Line 27: If you had a net operating loss carryforward in your resident municipality from Tax Year 2015, place the allowable amount on this line. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at www.ritaohio.com for detailed municipality information.**

Line 29 – Workplace Loss Carryforward: If you had a net operating loss carryforward in your workplace municipality (the municipality in which your non-wage income was earned) from Tax Year 2015, place the allowable amount on this line. **NOTE:** A net operating loss carryforward can only offset a gain within the same workplace municipality. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at www.ritaohio.com for detailed municipality information.**

Line 30 – Net Taxable Workplace Income: Subtract Line 29 from Line 28 for Columns 2 through 6. **NOTE:** Do not complete Lines 31 and 32 if the workplace location is a non-RITA municipality.

If Line 30 is zero or less, do not enter a tax rate. **NOTE:** Do not complete Lines 31 and 32 if the workplace location is a non-RITA municipality.

Line 32 – Municipal Tax Due RITA (Workplace):

- If Line 30 is a loss enter -0-, otherwise, multiply Line 30, Columns 2 through 6 by the corresponding tax rate on Line 31.
- If Line 32 is \$10.00 or less, enter -0-.
- For Column 7: Total Line 32, Columns 2 through 6 and enter on Page 2, Section B, Line 11.

NOTE: If you are a resident of a RITA municipality, and your resident municipality provides a credit for tax paid to other municipalities, fill out Worksheet L on Form 37, Page 4 to allocate schedule income/loss and calculate potential credit for your resident municipality.

Schedule K Instructions:

Line 33: Complete Line 33 if you earned W-2 income in a RITA municipality from which no municipal income tax was withheld.

Multiply W-2 wages earned in a RITA municipality by the tax rate for that municipality. See the Tax Table on Pages 7 and 8 for the tax rates for RITA municipalities. **NOTE:** Do not use Line 33 if your wages were earned in your resident municipality. Enter the total tax due on Line 33 and on Page 2, Section B, Line 10.
