Beginning with losses incurred in 2017, a net operating loss may be carried forward for 5 years, in all municipalities. For municipalities or taxing jurisdictions that had an income tax in place prior to January 1, 2016, net operating loss carryforward amounts are phased-in. For losses incurred in tax years 2017, 2018, 2019, 2020 and 2021, only 50% of the carried forward loss may be deducted in each subsequent year. For municipalities or taxing jurisdictions that first imposed a tax on or after January 1, 2016, net operating loss carryforward amounts are not phased-in and may be used in full. The Regional Income Tax Agency (RITA)

RITA collects and distributes income tax for the municipalities listed on Pages 7 and 8 of these instructions.

Instructions for Form 37

These instructions are only guidelines. The applicable municipal ordinances and rules and regulations take precedence.

General Information:

Online: Access the RITA website at ritaohio.com to **eFile your return online free of charge**, view self-help videos, research frequently asked questions, download forms and access a fillable PDF version of Form 37.

Mail: Returns filed by mail must be postmarked no later than April 15, 2019. See Required Documentation on Page 2 of these instructions for the documents that must be included with the return.

Phone: For tax assistance, contact our offices toll free at 1.800.860.7482 or for TDD: 440.526.5332, **Monday-Friday 8am to 5pm**. Using our automated system 24 hours a day, you can verify the amount of estimated tax payments and credits on your account or make a payment by calling 1.800.860.7482. **Please visit ritaohio.com for extended phone hours, including weekends as the tax filing season approaches.**

In Person: Free walk-in taxpayer assistance is provided for all taxpayers who are required to file for any RITA municipality. Agents are on-site to provide assistance. **Please visit ritaohio.com for walk-in office locations, hours and special announcements on extended hours, including weekends as the tax filing season approaches.**

RITA Municipalities:

Each municipality has specific instructions or requirements for filing returns, reporting income and/or making estimated payments. Go to ritaohio.com for detailed information and click on the RITA Municipalities link. Next, select the applicable municipality. Use this resource for specific items that may apply to a RITA municipality. **NOTE:** Use Special Notes Starting Tax Year 2017 to calculate 2018 municipal income tax liabilities and your 2019 estimated tax liabilities.

Filing Requirements:

If you were a resident of a RITA municipality during any part of the year, you must file a return with RITA unless you are eligible to file a Declaration of Exemption. A Declaration of Exemption form may be filed electronically or downloaded at ritaohio.com. A non-resident must file Form 37 if the non-resident conducted business in a RITA municipality or earned wages in a RITA municipality and municipal income tax was not withheld, or was not properly withheld, from those wages. "Conducting business" means the non-resident earned self-employment, farm or rental income in a RITA municipality.

You may owe municipal income tax to both the municipality where you lived (your resident municipality) and to the municipality where you worked or conducted business (your work municipality). If you are a resident of a RITA municipality or a non-resident that conducted business in a RITA municipality, an annual return is required whether or not you have tax due. If you had no taxable income, complete a Declaration of Exemption form, available at ritaohio.com.

When to File:

File Form 37 by **April 15, 2019**. If you file after this date, you may be subject to penalties and interest.

Extensions of Time to File:

It is not necessary to file a copy of your federal extension with RITA by April 15, 2019. If you have requested or received an extension to file your federal income tax return, your municipal income tax return is automatically extended as well. However, you must provide a copy of the federal extension with your tax year 2018 Form 37 on or before October 15, 2019. If you have not requested or received a federal extension you may receive an extension for the filing of your municipal income tax return by completing Form 32-EXT Estimated Income Tax and/or Extension of Time to File which is due on or before April 15, 2019. Form 32-EXT is available at ritaohio.com. **An extension to file is not an extension to pay - the tax you owe is still due by April 15, 2019. Log-in to My Account or remit with Form 32-EXT to pay your tax balance due.**

Extensions of time to file have no effect on the due dates of the 2019 estimated taxes. If you file on an extension, your first 2019 estimated tax payment is still due April 15, 2019. If you file on an extension and you expect to owe estimated taxes for 2019, remit your first quarter estimated payment with Form 32-EXT by April 15, 2019.

Refund or Credit:

Indicate whether you want an overpayment of your 2018 tax to be credited towards your 2019 estimate or refunded to you by entering the appropriate amount in Section B on Line 18 for a credit or Line 19 for a refund. If you are requesting a refund for:

- Overpayment of **Estimated Tax Payments:** complete Form 37.
- **Excess Payroll Withholding Tax** (including tax withheld for a person under 18 years of age): complete Form 10A.
- Obtain forms at ritaohio.com.

NOTE: Amounts \$10.00 or less will not be refunded. Refunds received from your work municipality may affect the tax due to your resident municipality.

Deceased Taxpayer:

If a taxpayer died before filing a return for 2018, the taxpayer's spouse or personal representative may have to file a return for that taxpayer. The person who files the return must enter the word "Deceased," the deceased taxpayer's name, and the date of death in the applicable (primary or spouse) name box on the top of the return. If this information is not provided, it may delay the processing of the return.

Penalty and Interest:

In accordance with municipal ordinances, penalty and interest will be imposed for failure to file a return and to pay taxes, including estimated taxes for the current tax year. See the instructions for Line 20a for the minimum estimated tax requirements. If your estimated payments are not equal to, or greater than, your prior year's total tax liability or 90% of your current year's total tax liability, you will be subject to penalty and interest charges.

Name(s), Address and Social Security Number(s):

Print your name(s), address and social security number(s) within the boxes provided.

Amended Returns:

If you are filing an amended return, check the appropriate box. State why you are filing an amended return in the space provided or attach documentation to the Form.

Residency Status in RITA Municipalities:

Please select the box that best applies to your specific situation:

- **Full-Year:** Check this box if you lived in one or more RITA municipalities for all of 2018.
- **Part-Year:** Check this box if you lived in a RITA municipality for part of 2018.
- **Non-Resident:** Check this box if you did NOT live in a RITA municipality for any part of 2018.

City/Village/Township of Residence:

Please complete the City/Village/Township of Residence section on Page 1 of Form 37 for the physical location of your residence, including address, municipality, state and zip code for the entire tax year through the date you file this return. If you moved during the year, provide the effective date of each move and the corresponding address, municipality, state and zip code in the boxes provided.

In order to properly calculate your tax, the city/village/township is required to be provided. It is important that you list the physical location of your residence, not the municipality listed in your mailing address. For example, if you use Columbus as your mailing address, but you live in Grove City or Upper Arlington, list Grove City or Upper Arlington, not Columbus. The same holds true if you live in the Cleveland, Dayton or Cincinnati area, and use one of those municipalities for your mailing address.

If you moved out of a RITA municipality, **with no intent to return** and will maintain your current mailing address as your address of record, enter your new physical location in the City/Village/Township box. Attach supporting documentation with regard to your relocation along with the reason for changing your physical location.

You must include copies of all W-2 form(s), the first two pages of your IRS Form 1040, including Federal Schedule 1, and any 1099-MISC, K-1 forms, Federal Schedules C, E and F filed with your federal tax return. If you are claiming a credit for taxes you paid directly to another municipality (not through employer withholding), you must include a copy of that municipality's completed tax form as proof of payment of tax. RITA may request additional information in order to verify your municipal income tax return. **NOTE:** Failure to include the proper verification of the amounts stated on the return or to provide relevant documentation upon request may affect amounts of taxable income and/or allowable credit.

Taxable Income:

- **Qualifying wages include:** Wages, salaries, commissions, severance pay, self-employment wages reported on a W-2, other compensation including fees, sick pay, bonuses and tips whether or not your W-2 form shows this income as taxable for local tax purposes. For most taxpayers, qualifying wages cannot be less than Medicare wages (Box 5 of the W-2 form). For taxpayers receiving income related to stock options, this income may be included in federal wages (Box 1) and not Medicare wages (Box 5), but is still considered qualifying wages and must be included as taxable income.

- **Dividend and property distributions from Subchapter S-Corporations (S-Corps.):** Shareholder's distributive shares that do not represent wages are generally not taxable and should not be reported on Form 37. Refer to instructions for Schedule J (Line 26), Schedule P, and Worksheet R.

Warning: Income reported is subject to verification by the IRS. Non-reporting or underreporting of income will result in the imposition of penalty and interest as provided by local ordinance.

Non-Taxable Income:

Income not taxed by municipalities includes: interest (1099-int), dividends (1099-div), Social Security, pension distributions (reported on 1099-Rs), income from Board of Elections (voting booth) up to \$1,000, workers compensation, public assistance, state unemployment compensation, active service and reserve military pay, alimony receipts and in some municipalities, income earned by individuals under 18 years of age. **See the RITA Municipalities section at ritaohio.com for detailed municipality information.**

If your estimated payments are either less than 90% of the tax due, or not equal to or greater than your prior year's total tax liability, you will be subject to penalty and interest.

If Line 20a is left blank, an estimate will be calculated by RITA and if the total amount is \$200 or more, you will receive a bill. If you fill in a total estimate less than \$200 on Line 20a, you will receive a bill.

If estimated payments are made on a joint account, and the taxpayers file separately for the subsequent year, the payments will remain on the account of the primary taxpayer from the joint account unless the amount to apply to each taxpayer's separate account is allocated in writing by the taxpayers.

Schedule J Instructions:

Use Schedule J to report net profits or net losses from operating a business as a sole proprietor; owning rental property; or operating a farm. Also use Schedule J if you have pass-through income from a partnership, S-Corp. or trust in your RITA Resident Municipality. If you are not a resident of a RITA municipality, **do not** report pass-through income from a partnership, S-Corp., or trust.

If you move between one RITA municipality and another, you will need to allocate your non-wage income and report that amount on Schedule J, and provide a separate worksheet listing effective dates of income allocation.

RITA RESIDENTS WITH PASS-THROUGH INCOME ONLY: Schedule P and Worksheet R supplement Schedule J and/or Worksheet L.

- Use Schedule P if pass-through income/loss was earned in any non-resident, taxing municipalities.
- Use Worksheet R if you are a resident of a RITA Municipality and you need to calculate the tax paid by the pass-through to your RITA Resident Municipality.

What Constitutes Net Profits: Net profits shall be determined on the basis of the information used for federal income tax purposes, adjusted to the requirements of the ordinance of a RITA municipality. Expenses attributable to nontaxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for federal income tax purposes are generally not to be considered in arriving at net profits.

How to Treat a Net Loss: Beginning with losses incurred in 2017, a net operating loss may be carried forward for 5 years. For losses incurred in tax years 2017, 2018, 2019, 2020 and 2021, only 50% of the carried forward loss may be deducted in each subsequent year. For pre-2017 losses, generally, the portion of a net operating loss sustained in any taxable year, allocable to a RITA municipality, may be applied against the portion of the net profit of the succeeding year(s) allocable to the same RITA municipality until exhausted, but in no event for more than five (5) years. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at ritaohio.com for detailed municipality information.** No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained in pre-2017 tax years shall be allocable to a RITA municipality in the same manner as provided herein for allocating net profits to the taxing municipality. No portion of a net operating loss shall be used to offset W-2 income.

Follow the column descriptions:

- Use **Column 1** to report net profits or net losses applicable to **your RITA Resident Municipality ONLY.**
- Use **Column 2** to report net profits or net losses for **non-taxing** Municipalities ONLY. Multiple non-taxing municipalities should be combined to report one total for each Line of Column 2.
- Use **Columns 3-6** to report net profits or net losses from operating a business as a sole proprietor; owning rental property; or operating a farm applicable to all other taxing jurisdictions.

Line 23: List all income from Federal Schedule C. If you operate your business in more than one municipality, you must allocate your income between each applicable municipality in Columns 1 through 6. Attach additional copies of Schedule J if you need more columns. Also attach a copy of your Federal Schedule C and any supporting schedules. **Schedule C net profits may not be reduced by any additional allowable federal deductions, such as one-half self-employment tax.**

Line 24 – Rental Income/Loss: List all rental income/loss and/or income/loss from the production of an oil or gas well from Federal Schedule E, Part I as reportable for federal purposes. Attach a copy of your Federal Schedule E and any supporting schedules. If you have rental property located in a RITA municipality, you are considered to be engaged in a business activity and the net income is subject to tax whether or not you are a resident of a RITA municipality. If you own rental property in more than one municipality, each municipality should be listed separately in Columns 1-6 as applicable.

If you own rental property and are a resident of a RITA municipality, you will be subject to the tax on the net income of such rental regardless of the location of that rental property.

Line 25 – Other Taxable Income (or Loss): List all other non W-2 income such as farm income/loss reported on Federal Schedule F, 1099 miscellaneous income not reported on Federal Schedule C, director fees, and ordinary gains and losses reported on Federal Form 4797. Line 26 – Pass-Through Income (Partnership/S-Corp./Trust Income/Loss): For pass-through income earned in your RITA Resident Municipality, enter the total of partnership/S-Corp./trust income from Federal Schedule E in Column 1. For pass-through income earned in non-taxing locations, enter the total of partnership/S-Corp./trust income from Federal Schedule E in Column 2. If you are a resident of a RITA municipality and earned pass-through income in taxing municipalities other than your RITA Resident Municipality, complete **Schedule P**. If you are **not** a resident of a RITA municipality, you do not report pass-through income from a partnership, S-Corp., or trust.

S-Corp. distributive shares that do not represent wages are generally not taxable and should not be reported on Form 37. There are municipalities that have exceptions to this rule, see the S-Corp. Rules for RITA Member Municipalities list at ritaohio.com or search the RITA Municipalities section at ritaohio.com for detailed municipality information.

Beginning with losses incurred in 2017, a net operating loss may be carried forward for 5 years. For losses incurred in tax years 2017, 2018, 2019, 2020 and 2021, only 50% of the carried forward loss may be deducted in each subsequent year. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at ritaohio.com for detailed municipality information. For municipalities that enacted a new municipal income tax on or after January 1, 2016, a net operating loss is not required to be phased-in and may be carried forward for 5 years.**

Beginning with losses incurred in 2017, a net operating loss may be carried forward for 5 years. For losses incurred in tax years 2017, 2018, 2019, 2020 and 2021, only 50% of the carried forward loss may be deducted in each subsequent year. **There are municipalities that have exceptions to the five (5) year loss carryforward rule, see RITA Municipalities section at ritaohio.com for detailed municipality information.
