The Jenkins Observer

Produced by Members of the Jenkins Place Senior Center

MAYOR'S MESSAGE

After another successful Senior Health and Wellness Fair, I hope everyone feels connected with all the great resources we have in our community to stay healthy, active and able to make the best decisions for their well-being. This year, we had 31 vendors that provided a wealth of information on wellness and financial health. Again, we are grateful to our title sponsor, Southwest General Medical Center, for their tremendous efforts to help make this highly anticipated event a great success. We are proud to partner with the many wonderful nurses and paramedical professionals who provide such great care to all in our community.

Now, our seniors can look forward to our own blood pressure screenings with our purchase of blood pressure equipment that will provide accurate readings. Our paramedics will be visiting on the third Thursday of the month to take blood pressures and individual visits with the nurse may be scheduled. We want to be here to help seniors stay healthy and active as well as to enjoy the many interesting and fun activities we have going now that the weather is getting warmer.

Celebrating April Birthdays!

Happy Birthday to Amy, Joan, Mary, Nancy M.,

Nancy S., Rose, Sara, Stan

April Birthstone is the Diamond . The sparkling diamond is the ultimate symbol of love.

April birth month flower is either Daisy-The Daisy conveys innocence, loyal love, and purity. It is also a flower given between friends to keep a secret; the daisy means "I'll never tell."

Or the Sweet Pea-Sweet Peas signify blissful pleasure, but they also are used to say good-bye. Say so long to flies because they find the Sweet Pea's fragrance offensive.

Celebrate your birthday! Would you like to receive personal birthday greetings above (first name only) and receive a birthday card? We are collecting names and birth dates (year optional). Seniors who would like to participate can sign the Birthday List, which is kept in the Jenkins Place office, or call 440-427-2519. Also, a very heartfelt **THANK YOU!** to everyone who donates cards. Please continue to donate birthday, get well, thank you, thinking of you or other cards to share.
