Celebrating August Birthdays!

Happy Birthday to Angie, Carl, Fran, Isabelle & Terry

August Birth Flower - Gladiolus & Poppy

The Gladiolus or “sword lily” represents remembrance, calm, integrity and infatuation. Gladiolus indicates that the heart is being “pierced with love.”

The other August flower is the Poppy. A red poppy signifies pleasure. A white Poppy is given for consolation and a yellow one wishes wealth and success.

August Birthstone - Peridotite The lush Peridotite brings fame, dignity and protection.

Celebrate your birthday!

Would you like to receive personal birthday greetings above (first name only) and receive a birthday card? We are collecting names and birth dates (year optional). Seniors who would like to participate can sign the Birthday List, which is kept in the Jenkins Place office, or call 440-427-2519. **Also, a very heartfelt THANK YOU to everyone who donates cards. Please continue to donate birthday, get well, thank you, thinking of you or other cards to share.**
